3	Kopping, Wayne	Obsession: Radical Islam's War Against the West	2007

- I have selected only 9 books to summarize the problems we face with resurgent Jihadic Islam. As excellent as these books are, I realize that they do not provide the balance and weight to give you a good appreciation of the complex and dangerous entity we refer to as the Middle East. All of the other books on the list contributed something to my personal understanding of the problems. I hope you will also have the time to delve further into this fascinating area.
